Terms of Sale

Terms	1% 10 Days, Net 30 Days from invoice date. These terms are extended to open account customers with approved credit and a record of prompt payment. All unpaid account balances over 60 days are subject to a finance charge of 1 1/2% per month or 18% /year. All terms are subject to acceptance of Credit Department and terms of payment shall be authorized by this department. Past due invoices paid by credit card will be subject to a processing charge equal to 04% of the past due balance. Minimum Order: \$20.00
Prices	All Listed prices are subject to change without notice. All prices are in U.S. \$, FOB. Factory - Indianapolis, IN
Delivery	Delivery will be arranged at time of order and is approximate. Deliveries quoted represent an estimate of the time expected to elapse between order date and ship date. Time in transit must be added to the delivery quoted. My-te Products, Inc. will not be responsible for delays as a result of strikes, fire, riot, war or other causes beyond our control. Acceptance of material from carrier constitutes a waiver of claims for damages.
Freight	Material shipped by motor carrier will be shipped best way, freight prepaid unless prior arrangements have been made. Material shipped by parcel services will also be sent freight prepaid. Shipping charges will then be added to the invoice.
Warranty	All My-te winch-hoists are designed for material handling use only. My-te Products, Inc. warrants each new My-te winch-hoist to be free of defects in material and workmanship for a period of one year. This warranty does not cover abuse, neglect or use above or beyond rated capacity and duty cycle. Warranty coverage includes shipping charges, one-way, by standard ground service. Warranty does not cover cost of installation or removal of winch-hoist from service or loss due to downtime or time out of service. The final responsibility for fit of winch-hoist with application rests with end user. The warranty is void if the winch-hoist is altered or parts substituted. This warranty is limited to repair or replacement at manufacturer's factory or a point designated by the manufacturer. Inspection by the manufacturer will determine manufacturer's liability.
Return of Material	Material may be returned only after authorization from My-te Products, Inc. Material returned is subject to manufacturer's inspection. Complete standard units are subject to a 10% of net value restocking charge. Double-drum and other special units are not returnable. Incomplete units (units with missing or altered parts) are subject to a 20% net value restocking charge. Additional charges may be assessed for damaged service parts.
